**MESSAGE OF TUESDAY, 23RD NOVEMBER 2004  
TO ALL HER CONSECRATED CHILDREN**

**HOLY VIRGIN MARY**

My children, don't ignore My Message, because what I'm telling you's for your salvation. You're responsible for many sins that are done continually throughout the world.

➤ Lots of you aren't Consecrated for the will of **God The Omnipotent Father**, but for convenience and weakness, you've refuged in the Priesthood, and you know this well, **God** loves you and wishes to help you.

➤ Lots of you, however, have received from **God the Omnipotent Father** the call to devote themselves, but you'd set an example, by giving a Holy example, helping those who live in sin, who don't even know the **Holy Law**. But you know It and you don't put It into practice. Repent, My children, because if you do that, you'll be able to save your souls and lots of souls which you're responsible, for and at the time of great punishment, that there'll be over all humanity, you'll be able to save more and more souls because they depend on you.

If you're humble, you'll understand everything I'm telling you. But if you aren't humble, you'll be enemies of **God the Omnipotent Father**, and, through your weaknesses, Evil will continue to attract to Itself the weak souls that need a spiritual force and not a human one. Repent soon, My children, because there's no longer to believe in My Manifestations, which I operate all over the world. All of you'll have confirmation of everything. Pray and recite your **Holy Rosary**, because this is a prayer that only those who're humble pray, and many of you don't pray because undervalued. On the contrary It's a weapon against your weaknesses, against the Evil that makes you fall into sin.

➤ Dear children, lots of you, however, are suffering a lot, because you realized that the Church's in great confusion, and you're asking for help from **God the Omnipotent Father**. Rejoice, because His help's coming, so that the Church's like **God the Omnipotent Father**, through My Son **Jesus**, has created It: **Holy** and **Immaculate!**

There'll be many signs of the end of times around the world. These will happen very soon. I, your Mother, love you and pray for you in order that you can manage it.
