**THE MESSAGES OF FRIDAY 27TH OCTOBER 2017
AT "VALINHOS" THE APPARITION PLACE OF OUR LADY
FATIMA (PORTUGAL)**

LUCIA OF FATIMA

Brothers, sisters, It's We, the three little Shepherds: **Lucia, Jacinta and Francisco**. Our Lady's here, the place where She appeared to us, a very important place where Our Lady's Apparition was announced to Us by the Archangel Gabriel; here, there will be many miracles. Spread this prophecy: all this formed part of the project that Our Lord's about Fatima!

Don't be afraid, you're here because Our Lord's established it! At Cova, Our Lady's revealed us many prophecies that We'll reveal to you there; at Cova, the sun will give equally signs. Soon, the world will live another unique miracle of the sun; this will happen when the world will be covered with darkness, so that men can purify themselves.

We had many obstacles, many obstacles to reveal the "Secret of Fatima". Our Lady told us, whom to reveal it to; many guarded it by Our Lady's will, in order to arrive at nowadays, the moment in which the whole truth must be revealed to the world, which needs to know, because it needs salvation through suffering. Brothers, sisters, **Our Lady's** presence is very strong among you; She's giving you Her scent. Now, **Jacinta and Francisco** also are going to talk to you.

JACINTA OF FATIMA

Little brothers and little sisters, it's I, your little sister **Jacinta**. We're here in the midst of you, We're accompanying you in this mission; in this very important place for Us, the **Archangel Michael** gave Us "**Our Lord**" for the first time, **in this place Our Lady gave Us great signs that, soon, She'll give also to you**. Here, in this place, They taught Us to say the "**Hail Mary**" and They taught Us the prayer before receiving **Our Lord**.

Little brothers, little sisters, I longed to talk to you here, where everything started. Our Lady revealed Us many secrets that We'd already revealed the Church some of them, but they didn't want to say anything to Us and they silenced Us for fear of losing the souls that they took with them. Our Lady and Our Lord don't trust them any more, because they still continue to hide the Truth; they feared Us so much and they sought to deceive Us in all ways, but Our Lady never allowed it. In every way, they used to try to convince Us that, all what We were seeing, wasn't Our Lady. I'm telling you all this, because, soon, they' re going to do it with you as well.

FRANCISCO OF FATIMA

Little brothers and little sisters, it's I: **Francisco**. For Me, it's a great joy to talk to you in this place where **Our Lady** appeared to Us; here, She appeared Us more often, She helped Us and She taught Us many things, so that Our Spirit might strengthen. **Even here Our Lady revealed Us many secrets. Everything will be known very soon, because We'll reveal it to you.**

The Church will try to confuse you, they haven't understood yet that Our Lord's intervention is taking place and the truth won't be hindered any more. The world will have to be saved, Our Lady wants all children of Hers to come to Paradise. Hell will be annihilated, Fatima will shine in the world.

Little brothers and little sisters, be ready! We'll reveal you very great truths, never be confused! Our Lady's always close to Us; even to Us they tried to confuse Us, but Our Lady was always with Us and She didn't allow anyone to deceive Us. I love you, little brothers, I love you, little sisters.

LUCIA OF FATIMA

Brothers, sisters, the world knows only a part of Our story. We lived so much, even **Jacinta** and **Francisco**, despite that They flew into Heaven soon; They lived so much, in suffering, in silence, in prayer, that's why nowadays **Our Lord** exalts Them all over the world. **I'll continue to go on with My mission which Our Lady entrusted Me, that one of letting Her Immaculate Heart triumph. I'll announce all that She revealed to Me in many years. I revealed everything to John Paul II, also He continues this mission: the world will talk about Us. Fatima is an open chapter, no one will make mention about the truth, which Our Lord established that it be known.**

Brothers, sisters, you who believe in the "**Third Secret of Fatima**" persevere with Me! **Our Lady** will know how to reward you in Heaven, a goal that you all must arrive. You don't arrive in Heaven, except through suffering; Mine was to obey the Church, but I already knew that Our Lord would have given Me, nowadays, the opportunity of telling the truth to the world, **Our Lady's** truth!

Those who ruled Us wanted to make Us deny not in order to lose the power, but they believed Us in their hearts, because Our testimony touched their hearts. Do the same with all those who don't believe you! Brothers, sisters, let's hug one another, all! You're embracing the Cross, always do it with love! **Our Lady** taught Me this, never forget it every day!

Angels and Archangels are here in the midst of you. The Archangels Michael, Gabriel and Raphael are part of the "Secret of Fatima"; divulge all that We're revealing to you!

I love you, brothers and sisters! We've to go, **Our Lady's** calling Us; the three little Shepherds have fulfilled Their mission. **Our Lady's** blessing us all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Our Lady's with Me and with you.
