**MESSAGE OF SATURDAY 13 MAY 2023**  
**FATIMA (PORTUGAL)**  
*(Chapel of the Hotel Virgem Maria)*

**LUCY OF FATIMA**

Brothers, sisters, I'm **Lucia of Fatima**, if you believe it, prove it. Today is a very important day for Heaven, for Me, for **Jacinta** and **Francisco**. **Fatima is a current discourse, it is part of the future and not of the past**, what **Our Lady** has revealed to us has yet to be fulfilled, everything is in progress, everything that is happening among you is greater than you, but if you open your hearts, you will let yourself be guided by the Spirit, so you will understand the will of **Our Lord** who wishes to guide you. **The mission you are carrying out is not finished yet, Jacinta and Francisco will manifest themselves again, on this special day, that day Our Lady appeared to Us and everything changed for Us, for Our families, for Our country, everything changed in Fatima, and still many things will change, because the Third Secret of Fatima still contains revelations that need to be confirmed and that concern the Church.**

Brothers, sisters, I chose to obey the Church, but My obedience was above all for **Our Lady**, who asked Me not to reveal the Secret, many tried to make Me speak, even in the Convent They tried, trying to deceive Me, they threatened, they punished me unjustly, but I never spoke until **Our Lady** asked me to.

**Jacinta's body was found incorrupt, different from Francisco's, Our Lord allowed it so that science would not cast doubts on their Sanctity, since they were treated in the same way. One day I too will be recognized by the world, because Our Lady will give many signs at Fatima, at the Cova, all of this is not far away, therefore brothers, therefore sisters, never get tired, because you are here to be witnesses.**

**Soon John Paul II will speak to you, that day He was struck Our Lady protected Him, and from there His life changed, His heart believed in Our Lady of Fatima, He who suffered so much in this world, because he had to reveal the Third Secret of Fatima and they prevented him, He consecrated His heart to the VirginMary, until the day He left this world, and still His love is remembered in the world.**

Brothers, sisters, seeing that **white Lady** was a grace for us, your call is a grace, do not turn your back on **Our Lord**, walk with your hand in His hand, He takes you to the salvation of your souls, of the souls of your loved ones.

**My cousins Jacinta and Francisco will manifest themselves at the Cova, they will be accompanied and protected by the Archangel Uriel who protects all of the Cova da Iria.**

Now I have to go, **Our Lady** is with Me and with you.
