**MESSAGE OF SUNDAY 2ND APRIL 2006
OLIVETO CITRA (SA) ITALY**

JESUS

Brothers and sisters, I'm your **Saviour**, your **Redeemer**, the One who won death and defeated sin. It's Me, your Brother **Jesus**.

I've descended with power together with the **Holy Mother Mary**, Mother of the souls of all the world, together with **Divine Angels**, who purify your souls through the presence of Divinity.

I love you! I love you! I love you and I thank you for all those who suffer in spiritual love. Everybody's to understand that your sorrow takes you towards the salvation of your souls. The suffering of sorrow, in spirit and in body, purifies souls, in order that the creatures of **God the Celestial Father** may meet the Divine Light that releases from the slavery of sin. I invite you to follow the Cross gift, which is the glory that the **Father of Fathers** announces all over the world, the Saint Cross which belongs to everybody for the salvation of the whole world.

Very soon, I'm going to announce great events from this place (*Oliveto Citra*), which will confirm themselves all over the world, in order that people may understand Heaven talks for your salvation. Open your hearts, enlighten your souls through the prayer gift and through the sacrifice of the **Divine Body**, given by **God, the Celestial Father** to fill your hearts.

I love you! I love you! I love you! Listen to divine announcements, don't be incredulous to the works of the **Divine Holy Spirit**!

Now I've to leave you, but I'm always near and within the hearts of each of you. Most people're feeling My presence through a heat, an emotion: it's Me, living among you.

I'm giving you a kiss and I'm blessing you all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Peace!
