**MESSAGE OF SUNDAY 5TH JULY 2015
OLIVETO CITRA (SA) ITALY**

SAINT RITA

My loved sisters, It's Me, your sister **Rita!** I longed to talk to all of you, to give you all My love, peace, the strength of the **Holy Trinity**.

I love you so much and I always listen to each one of your prayers. I always wish to help you. More and more, open your hearts to Our loved **Jesus's** love: His help will never fail you!

Today is a special day and I'm happy that the **Holy Trinity** has granted Me to be in your midst. Always persevere to come to this place chosen by **God the Omnipotent Father**, in order to give so many signs of His presence and much love to each of you who are so much in need of it, to fight in this world.

Be strong and don't give in to the ideas of this world; only by praying and by offering Our whole heart to the **Holy Trinity**, we can be happy. The world deceives us and drag us into sin and Our loved **Jesus** doesn't want this and He continuously comes to help us.

When I was part of this world and I felt afflicted and suffering; only by asking help to Our loved **Jesus**, I could free up My heart from every suffering and from every evil, that's why you must pray much. My loved brothers and sisters, prayer is important, so that all evil can be far from us, never forget it!

My loved brothers and sisters, I'll always be close to you all if you want it, because I love you so much and I wish that we together reach the aims, established by **God the Omnipotent Father** in this great plan.

In this great day I wish to give you and to make you feel the great Divine Love, the real one, the one that fills the hearts

I wish to call a few of you; pray Me and ask Me what your hearts desire.

My loved brothers and sisters, I'm happy to be here, I'd like to call you all, but everything in its time: the things of Heaven must be earned by prayer, by perseverance. My love is for all of you and I'll always be near you because I understand your sufferings.

My loved brothers and sisters, I so much love each of you! Always persevere in prayer and completely abandon yourselves to **God the Omnipotent Father's** love, Who loves all His creatures and He never leaves us falling into obstacles if we pray Him and We love Him with all Our strength.

Never forget all the love that you've received on this day, special for the **Holy Trinity** and for all of you.

I love you, My loved brothers and My loved sisters! Now I' ve to go; My mission is over but I'll return to speak to you. Never cease to pray, so that the wonders of Heaven may descend among you.

The **Holy Trinity** is blessing us all, in the name of the **Father**, the **Son** and the **Holy Spirit**.
