**MESSAGES OF SUNDAY 3RD JANUARY 2016
OLIVETO CITRA (SA) ITALY**

LUCIA OF FATIMA

Brothers, sisters, I'm **Lucia of Fatima**; I'm here together with **Our Lady**, place yourselves at Her full disposal and you'll rejoice.

No one can follow two different paths, will never arrive at the established goal. Follow the directions coming from Heaven, because those, coming from the world, will take you on the wrong paths. Have faith in **God Our Lord**, He tries you; accept anything, because He allows it for your own good.

Brothers, sisters, love as **Our Lady** teaches Us; She never ceases to love everyone, good and bad people; She always has pity and charity for the poor sinners and She asks penance and prayer constantly for them. **Hell exists, I saw it; no one should go there, but that one is the destination for those who choose to serve the Evil One.**

Brothers, also **Jacinta and Francisco** are here and they want to speak to you.

JACINTA OF FATIMA

Little brothers, little sisters, it's Me, your sister **Jacinta**. We also are here today with you, understand the grace that **Our Lady** is donating to you, the same grace that She also donated to Us.

We always pray in the midst of you, because We want to help souls, so many souls that need it. **Our Lady** is always in front of Us, She always hears all our prayers and She wishes to fulfil them.

The Evil One knows very well that the truth reigns here, for this reason he's always ready to tempt us. He fears the truth and he tries to hide it in every way, but he'll never succeed in it, because **God** wants so.

Don't be afraid of what will happen in this world, because everything had already been revealed to us, but the Church didn't want to say anything and It continues to do it.

FRANCISCO OF FATIMA

Little brothers and little sisters, I'm **Francisco**, even for Me today is a very great joy to speak to you. I wish to tell you that **Our Lord** is ready and He wishes that you too to be all ready, because the great trials, that have been announced to you, are coming. We're here to help you to overcome all this with great love and with very great humility, so that you may triumph.

Our Lady is always with you, She accompanies you day after day. Her love for all Her children is immense. May you know to reciprocate Her by prayers and sacrifices.

Little brothers, little sisters, Our Lord's power will upset the world.

LUCIA OF FATIMA

Brothers, sisters, the Secret of Fatima isn't the past but the present and future. The Church confuses humanity; there can't be two Popes: this doesn't represent Our Lord's will.

Pray, pray together, so that everything may be always more and more clear in the eyes of those who are deceived. We're here to reveal you the truth for those who believe in it or not: this is **Our Lord's** will.

Brothers, sisters, Our Lady is donating you Her presence through Her warmth. Soon, We'll return to speak to you and We'll donate great signs and confirmations that We're sent by Our Lord.

Now We've to go; **Our Lady** is blessing Us all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Our Lady's with Me and with you!
