

MESSAGE OF MONDAY 12TH SEPTEMBER 2016 OLIVETO CITRA (SA) ITALY

HOLY VIRGIN MOTHER

My children, I'm the **Immaculate Conception**, I'm the Woman Who gave birth to the Word, I'm **Jesus**'s Mother and your Mother. I've descended with very great power, together with My Son **Jesus** and **God the Omnipotent Father**. **The Holy Trinity**'s here, among you.

My children, I'm very happy to have you here, in this place. In this very special day, you've shown your love for Me: I'm moved for this! I love you, My children! I'll donate you great joys. Always persevere to come here on the 12th of each month. The signs, which I wish to donate to all those who will believe in My words, will be great.

Pray, My children, because many will be the Nations that will sustain great sufferings because of their own mistakes. Pray for the salvation of all My children, especially of those who despise Me and ignore Me. I love them all and I suffer so much. I wish the salvation of all My children, because I have no preferences.

I love you, My children, and I'm wrapping you all in My Maternal Mantle. Many are feeling My presence through strong chills, a strong heat and I'm donating you My perfume. Confirm, My children! (A lot of those present at the manifestation confirm by clapping their hands)

Be converted, My children! Don't give a chance to Satan in order to enslave your life through sin. Walk towards the salvation of your souls, because everything will change in the world soon; all that you love in the world today you' ll ignore it tomorrow.

Thank you, My children! The Holy Trinity wishes to give you a great joy: the Archangel Gabriel is here, among you! He's descended with very great power in order to speak to you. His announcements will be confirmed in a short time, so that you may be known throughout the world. Continue and give your testimony because it will be this that will change the mind to many who don't believe in you and who don't accept you today. A lot of other religions will be converted, because My love will envelop their lives. I love you, I love you! If you knew how much I love you, you'd weep for joy. Now I've to leave you. I'm giving you a kiss and I'm blessing you all, in the name of the Father, the Son and the Holy Spirit.

Shalom! Peace, My children.
