**MESSAGE OF MONDAY 12TH SEPTEMBER 2016
OLIVETO CITRA (SA) ITALY**

SAINT GABRIEL THE ARCHANGEL

Brothers and sisters, it's Me, the **Archangel Gabriel!** There's the **General Michael** and the **Archangel Raphael** with Me: We're here in the middle of all of you **Brothers and sisters, the world isn't understanding the Heavenly Father's intervention, and that's for this reason that there will be many sufferings. All that's happening is still little, the catastrophes, which will fall onto the earth, will be great; all this will help many to purify themselves: God's mercy has been great!**

The Church continues to persevere in error and so many souls, who don't know the truth, follow them. Pray so that all these souls may understand the truth.

The great "miracle of the sun" will be repeated in this place very soon: everything will serve to give more and more confirmations to the "Third Secret of Fatima", that the world doesn't know yet, because of the Church.

Some great wonders and miracles will take place in this place very soon. Be prepared to everything, by persevering to come here and by saying the Holy Rosary with all your heart.

Brothers and sisters, I love you! My presence is among you. I've to go now but, very soon, I'll return to announce you very great things. The **Holy Trinity** is blessing all of us, in the name of the **Father**, the **Son** and the **Holy Spirit**.
