MESSAGES OF FRIDAY MAY 12, 2023
“VALINHOS” PLACE OF THE APPARITION OF THE VIRGIN
FATIMA (PORTUGAL)

HOLY VIRGIN MARY

My children, do not be afraid, I am the **Immaculate Conception**, I am who gave birth to the Word, I am the Mother of **Jesus** and your Mother, I descended with great power with My little children **Lucia**, **Jacinta** and **Francisco**, the **little shepherds of Fatima** are here among you.

My children, I love you immensely, I have longed to give you this great joy, in this valley, I have appeared for the fourth time, I have given them so many signs, to give them the strength to go forward, the secrets of Heaven are mysteries not granted to all, and the Church did not accept My apparitions to simple children, they persecuted them so much, but I never left them.

In this fourth apparition, I revealed to them that on the 12th day of the month of May, 12 nations would be affected by natural events, I explained to them that 12 countries would be affected, like the 12 stars that God placed on My head, earlier these 12 countries would have seen a great light in Heaven as a sign of recognition of Divine intervention.

In that apparition, I took My daughter **Lucia** by the hand, I showed her the suffering of those peoples, her tears were desperate, then in the same vision she saw My Son **Jesus**, carrying the **Cross** of the many sins of men, unaware of the love of **God**, **Lucia** promised me that she would pray a lot, to relieve the weight of the **Cross** of my Son **Jesus**, she herself wishes to tell you about that apparition.

LUCY OF FATIMA

Brothers, sisters, I am **Lucia** of **Fatima**, that day I was very distressed, my heart was sad, I thought **Our Lady** would never show up again, I asked **Jacinta** and **Francisco**, let us pray more, we must be forgiven, and we started to recite the Rosary as **Our Lady** had taught us. Suddenly She was there in front of our eyes, she smiled at Us, turning to Me, **Lucia**, my daughter, do not be afraid I will never leave you but You, pray, pray always, your future will be very tried, but I will console you always, even my Son **Jesus** suffered a lot, I want to show you. I began to no longer see **Our Lady**, but **Our Lord** was there in front of Me, crowned with thorns, His forehead was bleeding, His wounds that had caused Him, were bleeding, **Jesus** stared into My eyes and I began to feel very great, **Lucia**, **Our**

Lord told me, you will carry the **Cross** with Your silence, with Your obedience, with Your love you will make known My Mother's message.

Brothers, sisters, I didn't understand, but My heart immediately said yes, I loved to see what My eyes saw. I took **Jacinta** and **Francisco** by the hand and there **Our Lady** also began to speak to **Jacinta**.

Jacinta Of Fatima

Little brothers, little sisters, I am your little sister **Jacinta**, also on this day **Our Lady** spoke to Us and showed Us what was going to happen in the world, she explained everything to Us, she spoke to us about some countries that would have great suffering, so that they could believe in **Our Lord**, she told Me, **Jacinta**, look at how much suffering, men don't want to understand that **Our Lord** is the only salvation. I told her, what can we do? She replied, you have to pray, but you have to offer many sacrifices, then she showed me a cross, and I asked him, Madam, can I give a kiss to the cross? She replied, yes **Jacinta** go kiss. Then she told us, every day take the **crucifix** and give it a kiss, so that **Jesus** too can feel our love, then she said, in the world not everyone understands the sacrifice of **our Lord**.

FRANCISCO OF FATIMA

Little brothers, little sisters, I'm **Francisco**, that day **Lucia** insistently invited us to come here, to pray, to ask **Our Lady** to come back to Us, She listened to Us because We prayed with all our hearts, She, **Our Lady**, showed Us the suffering that **Our Lord** carries all our sins on His shoulders, Our Lord loves Us and carries them on His heavy **Cross**, **Lucia** wept, **Our Lady** explained to Him that the world was heading towards great suffering and asked Us to offer penance, so that **Our Lord** could relieve them, We fasted from the start, and we walked this path always praying.

LUCY OF FATIMA

Brothers, when **Jacinta** kissed the **Cross** I asked Him, Madam, can I kiss you too? Yes **Lucia** go, I kissed it and then I made **Francisco** kiss it. Today we will all kiss her together to remember that day.

HOLY VIRGIN MARY

My children, My heart is full of joy, when I see acts of faith being performed I cry tears of joy, I love you, you have consoled the heart of My **Son Jesus**, love Him always and love the suffering that takes you to Heaven.

The fourth apparition was one of the most important, after having shown the suffering to the little shepherds of Fatima, I asked them to pray 3 Hail Mary's with all their heart, 3 Our Fathers with all their heart, and finally 3 Glory be to the

Father with all their heart, after doing so with so much faith, I showed them some souls in purgatory leave their burdens and go up to Heaven, demonstrating the power of prayer recited with the heart.

Also today thanks to your sacrifices, thanks to your faith a soul has reached Heaven and there is a great celebration, thanks my children, I love you immensely, and I never leave you too. Continue to pray with the heart and Heaven will give you even more joys, Our mission is over, we have to go, I love you my children, always be grateful for the Grace of Heaven, I give you a kiss, I bless you all, in the name of the **Father** of the **Son** and of the **Holy Spirit**.

Shalom! Peace my children.
