MESSAGES FOR SUNDAY 5 MAY 2024

(First Sunday of the month - Facebook live)

OLIVETO CITRA (SA) ITALY

LUCIA OF FATIMA

Fatima is called: the Mercy of God! Our Lord at Fatima has announced the future of humanity.

Brothers, sisters, I am Lucia of Fatima, always ready to bring humanity the message of salvation, ignored by the Church itself, which should be the bearer of the truth, I have delivered the revelations of Our Lady to the ecclesiastical authorities, those responsible have not done what Our Lord desired, bringing confusion into the world.

Even in the Church they have confused many who were in good faith, the message of **Our Lord** speaks of warnings, of admonitions, of dangers, it speaks of prayer, of the sacrifices that must be made to help oneself, it speaks of the purification that humanity needs, talks about the wickedness of man, who allows himself to be used by Satan, creating means of destruction towards nature and towards man himself.

Brothers, sisters, you do not understand, you are ignorant of all this, **Our Lord** can no longer tolerate that man, the one who allows himself to be used by power, destroys love, the pure one, this is why the message of **Fatima** is powerful, because it reforms souls, it removes the veil from the eyes of those who follow sin, following paths of perdition, the world is in ruins and does not realize it, prayer, the holy one, can help you understand how to walk in this world, where the Law of **Our Lord** continues to be disobeyed. Those who represent **Our Lord** must oppose human laws, which lead souls to perdition, this does not happen and **Our Lord** cannot stand by and watch.

In the Secret of Fatima, Our Lady revealed to us that in the future, the Church would lose its power, and so it has happened, although many do not yet realize it.

Seek help in prayer, there you will find the path to salvation, to peace, to the clarifications that many of you need.

Brothers, sisters, true life is not in this world, **Our Lady** would like to avoid you great suffering, that's why she invites you to correct your life, listen to her, don't turn your back on Him, fun in this world is just an illusion, joy, true joy, lives in your hearts, **Our Lord** dwells there.

Brothers, sisters, **Our Lady** appeared to us three little shepherds when we were very little, in the month of May, the month in which everyone prayed to her, and this month is the one she loved so much, my cousins **Jacinta** and **Francisco** are here, together with Me, to speak to all of you.

Jacinta was always the most excited when Our Lady appeared to us, she couldn't contain her joy, even just to see her, **Our Lady** loved watching her so much. **Lucia** told me: always take care of **Jacinta** and **Francisco**, but I never told them this, I felt that I needed them.

After **Jacinta** fell ill, **Our Lady** appeared to us and revealed many things to her. She herself will tell you about them.

JACINTA OF FATIMA

Little brothers, little sisters, the presence of **Our Lady** was always with Me, **Our Lady** took my hand, and spoke to me a lot, I was little and thought I didn't understand, but **Our Lady** told me: Your spirit is ready to understand what I want to tell you, She made me responsible, even if I already was, She took me with Her and showed Me many sins that were committed in the world, and that are still being committed, She said to me: **Jacinta**, do you see why I suffer so much? I desire the salvation of my children, but man does not understand that the things of this world distance him from My Son **Jesus**.

I asked: Madam, what can I do? she told me: pray and with your prayers and with your example you can help me, then he said to me: do not be afraid, **Our Lord** is close to you in this moment of suffering, offer your illness to Him, and many souls will be saved. I asked: Lady, never leave **Lucia** and **Francisco**, **Our Lady** said to me: **Francisco** will always be with You, but **Lucia** will still have to remain in this world, but you will always be close to her.

LUCIA OF FATIMA

Brothers, sisters, many people prayed for **Jacinta**, when they knew that she was suffering, many went to visit her, even if they could not see her, **Our Lord** rewarded their gesture, and gave them many signs that they later testified to, and these too, signs are all written in My stories.

Francisco was the most serious, when we had to meet **Our Lady**, on the 13th of each month. Even though he was very happy, he understood that what was happening was a very serious thing, some revelations were made to him too, on the part of **Our Lady**, when He fell ill, He Himself will tell you about it.

FRANCISCO OF FATIMA

Little brothers and sisters, seeing **Our Lady** was too great a grace for Us, we wanted to always be ready and attentive in the days that **Our Lady** appeared to us, **Our Lady** revealed to me some things regarding the future, I feared illness, but She helped me to accept it with love, He said to Me: My son, My Son **Jesus** suffered out of love and with love, do not fear, entrust yourself to Him and offer everything for the salvation of poor sinners. From that day I suffered with joy, for the love of **Our Lady** and **Our Lord**, because I thought of all the souls of the poor sinners who would achieve salvation, through My suffering.

Our Lady spoke to Me and prepared Me to face the separation from My little cousin **Lucia**, from My little sister **Jacinta**. She told Me: My son, very soon you will come to Heaven with Me. I said to Him: **Lady** and will My little sister **Jacinta** come with Me? and **Lucia**? My son, **Jacinta** will come with You, but **Lucia** will have to complete the great plan that has been entrusted to You, you will accompany her from Heaven, the world needs to know everything that I have revealed to you, and **Lucia** will bear witness to all this for a long time.

LUCIA OF FATIMA

Brothers, sisters, when the official apparitions ended, We made a promise to each other: Jacinta, Francisco and I were never, at any cost, to reveal the Secret to anyone, until Our Lady gave Us permission to do so. I had to wait some time, but Our Lady was always with Me. Lucia, your presence is needed in the Church, because My Secret lives in You, My message will have to reach the highest spheres, to give the possibility for those responsible to repent, this will be the last mercy that Our Lord will use for the Church, and when the innocent Servant leaves this world, the Capital will suffer for its own mistakes, write everything down Lucia, because it will not be easy for them to believe your words.

Brothers, sisters, carrying out a mission that comes from Heaven is not easy, if you don't love **Our Lord**, love Him, love **Our Lady**, open your hearts to the things of Heaven and not to those of earth, which keep you still, sad, and often lead you down wrong paths, let yourselves be guided by the love of **Our Lord**, who also cradles you in suffering, because We are all his children, at any age.

I must go, My cousins come with Me, we will return soon, **Our Lady** blesses us all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Our Lady is with me and with you.
