### MESSAGE FOR SUNDAY 2 JUNE 2024

*(First Sunday of the month) - (Corpus Christi Day)*

**OLIVETO CITRA (SA) ITALY**

### HOLY RITA

My beloved brothers and sisters, I am your sister **Rita**, bride of **Christ**, you love the Cross, I chose it, every day I wanted to hear the voice of **Jesus** in My heart, I prayed the Holy Rosary a lot to our Most **Holy Virgin Mary**.

One day, in a fervent prayer, she appeared to me as if in a dream and she said to me: Ritamy daughter, you love My Son **Jesus** so much, you love to carry Him into everyone's hearts, because you know that His love can do everything, there is no suffering that He cannot alleviate, there is no grace that He cannot grant if asked with the heart, you know that nothing is impossible for Him, and that is why you carry His word wherever He sends you, do it too, bring His love into the world, there is a great need.

**Evil wants to ruin families, the Holy Family that Our Lord established, God will never allow it, but you must pray a lot, a lot, a lot and bring the Gospel of Christ into families, the word of God cannot be changed, the evil wants to try through high institutions, but God will unmask them, and the truth will always be shouted out. The Cross of Jesus will always triumph in all times.**

Our Mother **Mary** also told me: **Rita**, you love to console the suffering of My Son **Jesus**, He will give you his pain because you will alleviate it with prayers, I have thanked for the love and strength that She gave Me, for the mission that I had to carry out in this world, She was close to me every time I prayed, pray with your heart my beloved brothers and sisters and Our Mother **Mary** and Our beloved **Jesus**, you will always feel them in your heart, but you must desire it, you must want it with all your strength.

**Jesus** is put on the Cross every day for many sins that are committed, kiss his wounds every day and console him and love him in prayer like I did, He always spoke to My heart, he gave me the strength to be able to give it to my neighbor, My mission was to console the afflicted hearts of many souls dispersed throughout the world, and I never got tired until His love triumphed, until many souls were converted to his love, do it too, bring the love of **Christ** into the world as His **Holy Apostles** did it, you can do it, everyone believe it. The **Angels** and **Saints** of heaven will always accompany you, I love you so much and I always pray together with you, I know it cannot be easy for you, but open your heart and everything will become possible.

**God** exists and the whole world will have to understand it, He allows so much suffering so that all of his children can return to Him and purify themselves from every sin. My beloved brothers and sisters, I love to talk to you so much and give you the love of **Jesus**, my mission has come to an end, but My love remains with you, our brother **Jesus** blesses you all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.
