### MESSAGE OF SUNDAY 3 NOVEMBER 2024

*(First Sunday of the month)*

**OLIVETO CITRA (SA) ITALY**

### **SAINT BERNADETTE**

My little brothers and sisters, I am your little sister **Bernadette**, pray with your heart, give all your attention to the **Beautiful Lady**, do not let evil disturb you, distract you, divert you from allowing your prayers to reach the **Immaculate Heart of Mary**, who can do so much for you, She has the power of intercession with **God the Almighty Father**, He grants everything, because what She asks of Him is always good for your souls.

Evil makes you ignorant, so as not to let you enter into the mystery of faith and prayer, people pray, pray, pray, but only waste time, because their hearts are closed together with their eyes that look with malice, prayer converts hearts, changes the life of those who practice it, bringing their soul closer to the **Holy Trinity**, and helping others, whoever they are, to reach Heaven, where you are all headed.

Heaven is for everyone, and it is the most beautiful place that **God the Father Almighty** has created, the world is not as beautiful as Heaven, there is freedom there, in the world there is slavery, there is love there, in the world there is hatred, there is peace there, in the world there are wars, discord, confusion and much more. There is joy, in the world there is sadness.

Do you understand the difference between Heaven and the world that is passing through?

But the ignorance that gives you evil does not let you see all this.

My little brothers, my little sisters, build castles in the Spirit, aim high with humility, compete by loving each other, help each other, forgive each other, your neighbor needs to be loved and forgiven. Take care of your neighbor with love, only in this way do you take care of yourselves, take care of and fill your soul.

The Church is very far from this reality, today these virtues are no longer practiced, people are no longer taught that the path to Heaven is prayer. The Church has become just a center of power like many others, that is why there is so much confusion in the world, many have abandoned the Christian faith, many even if they still believe, do it in the wrong way, putting limits on **God the Father Almighty**, speaking of the **Holy Trinity** as if it were a thing of the past.

The world still has to experience the presence of **God the Father Almighty**, despite the punishments, the natural events, they do not see the power of God the Father **Almighty** and the mercy of **Jesus Our Brother**.

They do not understand that everyone is called to conversion, to change their lives and to believe that salvation can only be given by **God the Father Almighty**, because the powerful of this world, however powerful they are, cannot ensure salvation for anyone.

**With sadness I tell you, that even Lourdes lives in confusion, it should have been a converted Nation all of France, for the miracles, the healings that have occurred in Lourdes, but even if the plan of God the Father Almighty has been hindered, it is not yet finished. The punishments that will happen, will bring them to the point of lowering themselves to the will of God the Father Almighty.**

**The whole world will lower itself to the will of God the Father Almighty, because the plans, those established, with great justice will be revealed to the world. The end of time the world will see, the things of Heaven here on earth and will not be able to deny the evidence, and the powers will fall including the Church.**

Pray my little brothers, pray my little sisters, help the **Beautiful Lady**, together we can be a force, even if evil prevails in the world, but the **Beautiful Lady** has evil under her feet by the will of **God the Father Almighty**, because **Jesus** Our Brother has already defeated it, with his death and Resurrection.

When you pray think about these things and the Spirit enlightens you with much more, do not ask for material things, because **God the Father Almighty** knows everything you need.

My little brothers, my little sisters, pray for the souls in purgatory, many souls end up there and prayers are few. Today together let's do something for them, each of you create a chest and pray for the deceased souls, those who belong to you, start with them, and then day after day you will add to this chest the names of all those who ask you for prayers, every time you add a name, that day you will make a sacrifice for that soul you are praying for, commit yourself to doing this, so that one day there will also be someone who will pray for you.

**My little brothers, my little sisters, I wanted to talk to you so much, I will return soon, remember me in your prayers, I will make myself felt close to you.**

I love you so much, be obedient, because obedience pleases **God the Almighty Father**, but do not obey the world, I have never done it either.

Now I must go, the **Beautiful Lady** calls me, She blesses us all, in the name of the **Father, the Son and the Holy Spirit. Amen.**
