MESSAGES FOR SUNDAY JANUARY 5 2025

(First Sunday of the month)

OLIVETO CITRA (SA) ITALY

SAINT MICHAEL THE ARCHANGEL

Do not be afraid. We are **the Archangels of God, Michael, Gabriel and Raphael**. The hand of the **Most High** has sent us to speak to humanity. Among you are the Angels of Heaven, among you is the **Holy Trinity**, honor it.

Brothers, Sisters, the world is corrupted by sin. The carnal human passions have made it possible for the presence of the evil one to be stronger and more rooted. Satan manages the power-hungry men who operate in the shadows. Their names are written in the book of death. Even if in this life they enjoy the pleasures of the flesh, burning coals burn on their heads. The justice of the **Most High** works in ways most unknown to the mind of man.

Brothers, Sisters, Satan has managed to enter the daily life of man through distractions, and man no longer feels love, charity, mercy and compassion. These feelings do not allow man to do evil, but now Satan manages the weakest minds. Prayer and sacrifice are the cure for your mind and your soul, so that they remain Consecrated to **God the Highest**. It is not easy because the insistence of the Angels of evil and continues, but if you want us Angels, we will be equally persevering in protecting you, it depends on your will. Many men and women in the world rely on the Angels even if they have not known the Christian faith. We Angels protect men of good will, the **Highest** loves all His children because He is the **Creator** and loves all His Creatures.

Hold the crucifix in your hands when you pray, so that evil fears and cries out in pain. Invoke the name of your **Messiah** in your mind, because in your thoughts Satan tries to sneak up on you, and you who know the truth have the task of rejecting all temptations.

SAINT GABRIEL THE ARCHANGEL

Brothers, Sisters, **I am the Archangel Gabriel, the Heavenly Father** has sent us to speak to the world.

Do not be afraid, the world is in complete confusion. Those who were supposed to guide souls have allowed themselves to be taken by evil that has taken them far away into darkness.

Brothers and Sisters, great punishments are about to arrive. Souls need purification, some nations that govern the world including America will be hit very hard by natural disasters. The sea will crash against many cities, the earth will split, many will implore mercy. Those who do so with their heart and with faith will be saved. Many have already chosen to follow evil by doing negative works, by doing acts against the will of God with their will.

Brothers and sisters, do not fear because **God** desires the salvation of all souls and will do everything so that they can be saved. Many are praying for **God** to intervene in the world. The Christian faith is fading away because of evil that would like to eliminate it completely, but God is reserving all those who do his will so that it can remain alive in the world. Pray, with prayer it drives evil crazy. When you pray, he always tries to distract you, because he does not want you to pray with your heart.

Brothers and Sisters, our presence in the world is constant. **We Archangels** protect all those who entrust themselves to **the Holy Trinity**.

SAINT RAPHAEL THE ARCHANGEL

Brothers, Sisters, I am the **Archangel Raphael**. Invoke Us **Archangels** so that evil can never come near.

Brothers, Sisters, hurry, the world is destined to change by the hand of the Father who is in Heaven and who is above all of you. Unite with Him, even in this world you can succeed. Communicate with Him through the heart and He will give all the answers you desire.

In the heart of each of you the need to have **God** on your side will grow more and more. Your will decide to accept him at your side. Evil gives dark thoughts, thoughts that should not exist within you, making the world and those who are weaker commit disasters for their souls corrupting them forever. Brothers, sisters, have **God** on your side at all times so that all this cannot touch you.

SAINT MICHAEL THE ARCHANGEL

Brothers, Sisters, today you have reached a great goal. This day has been written for a long time, Our Presence is powerful on the head of those who do the will of the Highest, because this is our task to guide men towards **God the Highest**. We are his messengers.

The Angels of purification are already on earth. For this reason, many innocent people will abandon this earth. Pure souls are needed in Heaven.

Many of your loved ones who have accomplished works worthy of Sanctity reside among the Angels of God.

Brothers, sisters, do not fear for your future. Everything was already written since the time of Creation. The **Most High** has designed the salvation of man through purification. Pray with perseverance and we will give you Our protection.

Brothers, sisters, Our mission has come to an end. The **Most High** calls us. I give you the blessing of the **Holy Trinity**. The **Father** sends his blessing through Us, in the name of the **Father**, the **Son** and the **Holy Spirit**.
