MESSAGE FOR SUNDAY 2 FEBRUARY 2025

(First Sunday of the month)

OLIVETO CITRA (SA) ITALY

SAINT PIO

My children, it is I, I am **Padre Pio**, Saint in Heaven and on earth. Today is a special day for me and for you. The Lord sent me to help sinful humanity that does not want to be saved. We must help them too. You must pray, pray a lot, a lot and you must do it as **God** pleases.

Times are no longer what they once were. Everything in the world is changing and you don't notice. The Lord is giving many warnings in the world, but humanity doesn't understand, doesn't want to understand.

The world is experiencing the end of times. Do not forget, there will be three days of darkness in the world, prepare yourselves. You must pray, you must do it with your heart. You must convert if you want to be saved, otherwise you will lose your souls and God does not want this, hurry up.

Walk in the way of Holiness, and not as you are doing so you will lose your souls. Wake up, you are all sleeping, and evil has deceived you all. It has enslaved you and you do not understand it. It is giving you everything you like and you are happy like that, but you have not understood that it is taking your soul. Meditate, meditate on all the words that I am telling you, it is for your good, and do not pretend not to understand. You know and understand everything. Cast out the force, that force that you should not cast out, you are content with the things of the world, without thinking that evil is tearing your soul.

I am here among you. **God** sent me to help you. If you want to understand it is good for you. If you do not want to understand it is worse for you.

The moment has come, Our **Father** is calling me. I give you the blessing of the **Holy Trinity**, but I will always remain among you, in the name of the **Holy Trinity**. In the name of the **Father**, the **Son** and the **Holy Spirit**.
