MESSAGES OF SUNDAY 6th JULY 2025

(First Sunday of the month)

“THE MOUNTAIN OF MIRACLES” - OLIVETO CITRA (SA) ITALY

THE MOST HOLY VIRGIN MARY

My children, I have been waiting for you all, thank you for being here, today is a very special day, My Manifestations in this place will be witnessed only by those who will come here, today you cannot yet understand the importance of this place, this project has always been established by God the Father Almighty, many trials you will face being part of this project so that God the Father Almighty can trust you in order to show you to the world.

This is the “Mountain of Miracles” and here the miracles will be beyond counting, those who let themselves be guided by The Most Holy Trinity with faith and believing in My words will be part of this project, of this team. Many healings will take place also among you, with some present here today, but you must persevere because the healings that will be granted to you will be for the glory of The Most Holy Trinity, make your heart, your mind, your life available for this project that will bring peace into your homes.

I love you my children, the peace you find here you will not find in the world, because the world is constantly fighting to distract you, prayer is the weapon you must use in every moment of your life, everyone can do it, the prayer with the heart is powerful and changes anything, because God the Father Almighty shows you his presence in the changes that take place and will soon take place in your lives, in your homes, and here the changes will be imminent, speed up your will because My Son Jesus is ready to give you great joys.

Sufferings will never pass, those that God the Father Almighty give you are for making you Saints, the sufferings the world give you will weaken you, making you lack faith and distance you from the grace that you earn from coming here.

My children, I have always guided the people of God entrusted to me, and I always will, many have followed me, have listened to My words, the Third Secret of Fatima is underway, the day I gave it to the three Shepherd children the world has begun to live the Apocalypse. My children Lucia, Jacinta and Francisco will be remembered in the future, because they did not fail in anything I asked of them, they conquered the fear, with a pure love they contained My Secret, and Lucia in spite of many obstacles, deceptions, brought forth the truth of Fatima that was imprinted in her heart, in her writings you will have many confirmations. Soon the messages that we give you here will be studied, in order to compare them to those that are archived.

My son Francisco has offered up many penances for the poor sinners, He without saying anything to anyone went to the Cova, putting himself in a place where no one could see him, only the sun saw him, He prayed to the point of feeling unwell, he wanted to offer me that suffering. The day of the

miracle he was the first to see the pulsating sun, as very soon you will all see it, the day of the miracle of the sun I spoke to My son Francisco, today He is here and wants to speak to you.

FRANCISCO OF FATIMA

Little brothers, little sisters, I am Francisco, today it is a great joy for me to be able to speak to you here, in front of Our Lady, this place is very dear to Her as it is Fatima, here the design is very great, here the salvation project God has always had will be confirmed, the sun also will give great signs in this place.

The day **Our Lady** gave us the great miracle, we were surrounded by the **Angels**, the sun began to pulsate, it began to rotate, the sun got closer to Us, all those present shouted, **Our Lady** invited us to look at the sun, and all of a sudden she spoke to me and said to me: My Son, the sun is giving a great sign, the sun is showing the power of **God**, the sun is warming cold and unbelieving hearts, you have always loved watching the sun for a long time, your sufferings have saved many souls, many poor sinners, do not be afraid, soon I will take you with me because your prayers will be needed in Heaven.

Little brothers, little sisters, that day I was happy because I had helped **Our Lady** save the souls of the poor sinners, I together with **Jacinta** and **Lucia** always wanted to make **Our Lady** rejoice, to help her, because She gave us all her love, do not be afraid to suffer for the love of **Our Lady**, it is beautiful, it fills the soul, it brings joy to your hearts, help save many souls, the world is a slave to the weaknesses that evil continually tempts, prayer will help you overcome every temptation.

THE MOST HOLY VERGIN MARY

My children, My son **Francisco** was very good, he offered up fasts, he always protected **Jacinta** and **Lucia**, be like Him, protect your brothers and your sisters with love, humbly, because evil will never tire to steal your joy and put confusion within you, do charitable acts.

Soon you will begin to build the Chapel over which I desire there be the symbol of the sun, and soon you will have the dimensions to design the Cross that you will place in this place, also the bells will have an important place that will soon be indicated to you, today your rosaries will be blessed, take them all, you will give these rosaries to those who will need them, for you do not lack My love.

Here there will be a great fountain, the water that God the Father Almighty has given you is blessed and it will soon become miraculous, all will call it “the Spring of Graces”.

From the Chapel to the Cross to here, you will form a triangle of light that will always be illuminated.

My children, after my son Francisco had been many hours in the sun, he was thirsty and did not drink for a while, to offer a sacrifice for the poor sinners, just like my Son **Jesus** on the Cross when he was thirsty, his sufferings were for the poor sinners and for the salvation of the souls of the whole world, let yourselves be guided by the examples to follow the footsteps of My Son **Jesus**.

I love you my children immensely and I am happy to be able to guide you, today you have received the blessing of the water, the “Spring of Graces”, from today you will call it so. **Realise the future of this place with love, I am with you and I will always wait for you here to give you other joys**

and to guide you step by step, this will not be a Shrine but a piece of Paradise on earth, do not forget these Words of mine.

I love you, I love you, I love you, now I have to leave you, I give you a kiss and I bless you all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Shalom! Peace my children.
