**MOST HOLY VIRGIN MARY**

My children, thank you, thank you, thank you, I love you and I cry tears of joy when you persevere proving to the **Most Holy Trinity** to believe in My words, faith must prevail over everything in your life, in your journey in this world, because the world leads you astray, you will find security in faith, in prayer, all the illusions of this world are for a moment, things that come from Heaven are eternal and fill your hearts with love, with joy, with peace, man is always fighting between good and evil in the world, those who do not pray struggle to move forward, the mercy of My Son **Jesus** is immense because He himself lived in this world like a true man.

I am happy because I can still proceed with this project of this place, loved by the **Most Holy Trinity**, many things have changed here over all these centuries since My Statue was placed here safely, since that day this place has always been surrounded by **Angels** despite many things collapsing, here My Statue has always remained uncorrupted. **When this extraordinary story is confirmed the world will believe in the power of God the Father Almighty, many things recall the life that My Son Jesus led in this world, the Shepherd, the little Shepherd the last event that will be remembered, will be approved worldwide.** My Son **Jesus** was born in a simple Cave and from a simple Cave **God the Father Almighty** has operated great things, the humble and simple-hearted have always been drawn to come here just like **John's** dad was. At that time despite the talk of signs in this place that came from Heaven, it was also a very dangerous place, it was not possible to walk freely, the first day **John** discovered this place, it became his greatest desire, walking these streets, these paths, his dad had a large flock which gradually became smaller and smaller precisely for the dangers that were here. That day **John** did not know the paths and began to walk alone moving away from his dad even though he had advised him not to move, **John** was very young, today He will show you the spot where he has encountered his first danger.

At that time it was not like that, **John** was attracted by the river but it was not easy, he suddenly felt tied up by something that prevented him from walking, gazing down he realised that he was in danger but he did not know what it was, he was far from his dad, at that moment a child just like Him passed by dressed in a white tunic and a red mantle, **John** was freed by that child who was My Son **Jesus**, but He did not know that and he did not understand it for quite some time, but his dress he could never forget to the point that he went home to his mom and asked, I want to wear white and red.

My son **John** will tell you what he has experienced.

### JOHN LITTLE HAT

Brothers, sisters, that day I was keeping my dad company but the sound of water took me away from Him, I wanted to get as close as possible but suddenly I felt stuck, I could not move anymore, gazing down I noticed that under my feet there was only water, I wanted to go back to my dad but I couldn't, while I was crying this child came up to me, he was enveloped in a special light, his clothes were shining. He said to me: **John** do not be afraid, give me your hand.

At a certain point I felt free, I grabbed His hand and He disappeared.

### MOST HOLY VIRGIN MARY

**John** was freed from that snake that He never knew how to define.

When he returned to his dad he immediately asked for forgiveness for disobeying him, he told him what had happened and repented, he promised that it would never happen again that he would disobey him, and so it was that **John** never disobeyed his dad anymore.

My children, today some of you will experience what **John** has experienced, if you open up your hearts you will be freed from every spirit of disobedience, for it is dangerous for your journey, My Son **Jesus** will touch you freeing you as He did with My son **John**. Pray because My Son **Jesus** as at that time is here and He already knows who needs to be freed.

My children, come closer all of you for here before you is your salvation, do not be unbelieving for you do not know the true story of the Holy souls, My Son **Jesus** has always been present in their life daily, but little is told, the things happened are necessary for humanity so that it may firmly believe that to **God the Father Almighty** nothing is impossible, but all this is always hindered by the evil to which man himself gives the opportunity to do so, be as simple as children.

### JESUS

Brothers and sisters, that is Me your brother **Jesus**, the one who won the death and sin, that is Me your **Saviour**, the **King of Kings**.

Brothers and sisters, My presence in your midst is powerful, let your hearts speak to you.

Brothers and sisters, I love you, I love you, I love you and I desire to help you understand that without My help satan takes advantage of you, he often tempts you, snares you, confuses you, making your faith grow cold, I do not want all of this because the help you ask of me must come from your heart and only then can I help you free yourselves from the prison that satan has prepared for you.

Brothers and sisters, in order to defeat evil you need to love, love, love, it is with love that evil is won, not with arrogance, not with pride, but with great humility.

Brothers and sisters, you are living the wonders of Heaven in this place, you are feeling my peace in your hearts, in your midst there is the presence of Paradise, the **Most Holy Trinity** works with great simplicity, pure hearts can feel all this.

Brothers and sisters, the mercy is what I give to you to help you, always pray with your heart to feel always My presence, My peace that gives you so much strength to move forward in this world where everything has become difficult and will become increasingly so, therefore brothers sisters join My love, join the Cross that I carried for you all and one day you will be happy to have accepted to carry the Cross of this world as I carried it.

Brothers and sisters, Peace I leave with you, the true one, not the one the world gives you, I give it to you.

Brothers and sisters, forgive one another and you will be forgiven, I love you, I love you, I love you. Now I have to leave you, the **Most Holy Trinity** remains here in your midst, I give you the blessing of the **Most Holy Trinity**, in the name of the **Father**, of the **Son** and of the **Most Holy Spirit**.

Peace my brothers, peace my sisters.

### **MOST HOLY VIRGIN MARY**

My children, prove your faith in My Son **Jesus** who speaks to your hearts.

**One day in this place there will be a way to reach the river, a small chapel will be built to guard the dress that represents the little Shepherd, the dress that represents the mercy of My Son Jesus.**

My children, not all of you have let My Son **Jesus** touch you, be humble and do not be ashamed to love Him because He loves you, all those who have been touched are invited to give glory to the **Most Holy Trinity**, bear witness.

**My children, today this day will remain dedicated to the mercy and forgiveness, it will be granted all this to those who come here on this day.**

**I love you, I love you, I love you, today too this great mission has come to an end as God the Father Almighty wished, many testimonies will be among you, I will wait for you all for the next mission where you will live the wonders of Heaven that will be a guide in your life in this world.**

Now I have to leave you, I give you a kiss and I bless you all, in the name of the **Father**, of the **Son** and the **Holy Spirit**.

Shalom! Peace my children.
