MESSAGES OF SUNDAY 7th SEPTEMBER 2025

(First Sunday of the month)

‘MOUNTAIN OF MIRACLES’ – OLIVETO CITRA (SA) ITALY

LUCIA OF FATIMA

Lucia, while everything seems calm around you I would like to inform you that the world has no peace, one day **Our Lady** told me this weeping tears of blood. That day She showed me Her heart pierced by swords, Lucia these swords represent the sin that reigns in the world, **Our Lady** asked me to pray and to do penance for there were many poor sinners, **Our Lady** asked Us the **three Little Shepherds of Fatima** to give our life living with sacrifice accompanied by prayer, we were very young yet her message was very clear, **Our Lady** makes always understand clearly her calls, her requests, he who does not understand, does so because he does not want to understand.

Brothers, sisters, today I say this to you while everything seems calm to you the world has no peace, everyone is running after power in search of novelty increasingly ignoring the presence of **Our Lord** who is the point of salvation for the whole world. Atheists are in vogue, unbelievers are in vogue, many things against nature are in vogue and corrupt the weak, the most fragile spreading depression, discouragement, hate, anger, pride, many live an inner war. Brothers, sisters, you ignore all this but you must begin to pray for humanity, for the poor sinners, pray that **Our Lord's** will be done.

The presence of Our Lady is here and it is very powerful, She wants to make this place a peace of Paradise to welcome her children who need healing in their soul and body, nothing should be neglected so that Our Lady's will may be done, We the three Little Shepherds of Fatima today are here, also Jacinta and Francisco will speak to you.

Here Our Lady is covered with the sun, The Woman of the Apocalypse has decided that her messages will come from here, a New Church, Holy, this Our Lord wants because sins have polluted the whole Clergy, many have Consecrated themselves but they are not Consecrated, all accomplished by human will and this has always been happening, Our Lord has always been betrayed in his Home.

The bullet that is in the Crown on the head of the statue of Our Lady of Fatima was replaced during the pontificate of Pope John Paul II, it happened after a while that He consecrated himself to Our Lady of Fatima, around Him lived

some who betray Our Lord, the world of Clergy will never tell you the truth to the point of making you forget the prophecies of Our Lady that are in the Third Secret of Fatima.

Brothers, sisters, **Jacinta** too is going to speak to you.

JACINTA OF FATIMA

Little brothers, little sisters, pray and do it a lot, the world has not yet understood what it is coming up against, many secrets that had been revealed by **Our Lady**, people have not yet understood that **Our Lord** sees everything, the Church thinks it is hiding what has been revealed to us but **Our Lord** wants to save every soul. **Many Consecrated ones will still go to hell because they do not guide soulson the right path**, when **Our Lady** revealed this to us we felt very bad, every day we offered little sacrifices, listen to the voice of **Our Lady**, She wishes to guide you on the right path.

FRANCISCO OF FATIMA

Little brothers, little sisters, time is short, sacrifices need to be made, **the Third Secret is underway and very soon it will be increasingly visible to your eyes, alleviate suffering with prayer, Our Lady always told us that**, prayer is miraculous, prayer fights against the snares of the evil, prayer brings you closer to Heaven, **when the world becomes afflicted then the power of prayer will be understood.**

LUCIA OF FATIMA

Soon you we will come to **Fatima**, **Our Lady** is waiting for you, the **Cova** is protected by the **Archangels**, **this place too will be known as Fatima, here will be Our Lady of Miracles.**

Brothers, sisters, offer every day some sacrifice, even small to remind **Our Lord** and **Our Lady** of your love.

Now we have to go, **Our Lady** blesses us all, in the name of the **Father**, of the **Son** and the **Holy Spirit**.

Our Lady is with me and with you.
