MESSAGES OF SUNDAY 1st FEBRUARY 2026

(First Sunday of the month)

‘MOUNTAIN OF MIRACLES’ – OLIVETO CITRA (SA) ITALY

THE MOST HOLY VIRGIN MARY

My children, my little ones, I always wait for you here on the Mountain of Miracles where I will soon give great signs of My Presence, the sun will give signs never given before, here you will be freed from sadness, here you will be healed from illnesses, here I will talk to you about the imminent future, guiding you through the trials you will have when the world faces purification living the Apocalypse.

God the Father Almighty wants everyone to be saved, but only you can decide, abandon sin living your life in the grace of the **Most Holy Trinity**.

Here on this Mountain the **Saints** will speak to the world, today it is a very special day, my son **Francis of Assisi** is among you, and he wants to speak to you, invoke the **Holy Spirit**.

My sons, the **Most Holy Trinity** will give you a surprise, my daughter **Clare** sister in Christ of My son **Francis of Assisi** will speak to you.

SAINT CLARE

Brothers and sisters in **Christ**, peace and goodness, I am **Clare**, sister in **Christ** of **Francis**. I have always loved Francis, I followed his example until his death, He guided me to follow **Jesus Christ**, in those days there was not the same freedom that there is today, we had to obey many strict rules, honour the family, the nobility, and we had to be perfect in everyone's eyes and when our heart told us something else, it was not easy, it was like this for me and without **Francis'** help, I would not be here today. He who honoured the **Father of Heaven** by standing against everyone was guided by **Jesus Christ** until his death, in his eyes I always saw **Jesus Christ**, his hands were no longer his but those of **Jesus Christ** and everything He touched was blessed for He loved everything.

It has been a joy for Me to speak to you.

SAINT FRANCIS OF ASSISI

Brothers, sisters, that is Me, **Francis of Assisi**, I am here by the will of the **Most Holy Trinity**, I have wanted to speak to you for a long time, thank you for waiting for me, I love you.

This place is very important to the Most Holy Trinity and to all of you, every time you come here it is a strengthening for your Spirit, for this reason I ask you to continue persevering, great things will happen in this place through the work of the Most Holy Trinity.

When we were in this world, Sister **Clare** and I worked hard for **Jesus Christ**, our task was to make him known as much as possible to all the brothers and sisters we met, it was not always easy, our perseverance bore much fruit, that is why I ask you to always persevere especially in difficulties, do not give up in the face of obstacles because with the help of **Jesus Christ**, everything can be overcome.

Brothers, sisters, you too have this very important task of helping your brothers and your sisters far from **Jesus Christ**, we have all been chosen by the **Most Holy Trinity**, we have to be proud of this calling that comes directly from Heaven, Sister **Clare** and I stood against everyone and everything to respond to our calling, faith must be your strength in all the adversities you will encounter on your path, **Jesus Christ** is always close to those who invoke Him in the difficult moments of their life, do the same.

THE MOST HOLY VIRGIN MARY

My children, pray, pray, pray, so that your faith remain strong.

I love you, I have to go now, soon my son Francis of Assisi will speak to you again, he will speak to the whole world, he will speak to those who follow his example, He is not pleased with all.

I give you a kiss my sons and I bless you all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Shalom! Peace my children.
