**MESSAGES OF SUNDAY 15th FEBRUARY 2026
GROTTO 'THE MOST HOLY MARY OF THE BRIDGE' - PARTINICO (PA)**

THE MOST HOLY VIRGIN MARY

My children, **John Little Hat my little Shepherd is here, this is his home, this is his land, this is his nature, he loved everything you see today, which is why he will be known throughout the world, the story that belongs to Him in this Grotto is extraordinary. The book will soon be complete, your perseverance makes My heart rejoice, keep persevering because I want the plan of God the Father Almighty that is in this place, in this Grotto to be fully realised. I wish for My Statue to return here where it has been found several times, those who believe will help Heaven in his plans, there will be many changes, in Palermo and throughout Sicily the Most Holy Mary of the Bridge will be honoured and this Grotto will be the reference point for those who are sick in the body and in the Spirit.**

My children, my presence is very powerful among you, I am passing close to each one of you, **pray through the intercession of My son Little Hat, He will give many signs to who believe in Him after reading the book, God the Father Almighty will make humanity understand that nothing is impossible for Him, He is the Master of everything and everyone, it has always been so in the ancient times as well as today's times, this was not believed enough ignoring the Presence of God the Father Almighty, those who, with a simple soul, believed in my Son Jesus brought the truth forward realising the plans of God the Father Almighty.**

My children, this Grotto is your home, where I dwell, you who love me dwell too, **this Grotto, this place will soon flourish again because the secretes will be revealed to you who persevere.**

Queen Maria Cristina of Savoy wrote a letter to his son when he was still in his womb, in that letter she told him about this Grotto, about this place and how important it was for her, asking Him, even from afar, to do something for this place, making him keep secretly some of her precious objects and so it was.

The king of the Two Sicilies has been greatly tried, but the Queen Maria Cristina of Savoy's wish will be granted in the not-too-distant future, all this has been written down and kept secret, but when the miracle of My Statue that I will make here is confirmed, everything will come to light. This day is very important, and you will soon understand the reason.

My children, I am very happy for you who are here, I called many of my children to come here, but not all responded, not all believed, not all persevered, those who are perseverant proving to believe will be remembered in the book, my children if you wish it, confirm. You will encounter a lot of obstacles, those who I have already named will have to overcome all trials to be confirmed.

Now I wish to give you the presence of My son **John Little Hat**, invoke the **Holy Spirit**.

JOHN LITTLE HAT

Brothers, sisters, thank you for being here, this project is immense, **Mary** wants to see you all rejoice, overcome everything because the peace that is here is only in Heaven, all this is a grace for all of you, I love you.

THE MOST HOLY VIRGIN MARY

My children, the joy has entered in some hearts, but in others there is still sadness, fear not you too will leave here with joy if you want to. Now everyone sings together the words dedicated to my son **John Little Hat** and, at the same time, embrace each other, kiss each other with love, with humility just as My son **John** did with everyone he met, sing.

Soon by the will of God the Father Almighty, there will be a path that will lead you to the river, there a small Chapel will be built, the Archangels, protectors of this place, will give you directions. My children, I love you immensely, the project here is great and there are still a lot of things to know, today your mission has come to an end, my heart rejoices for all of you.

Now I have to leave you, I give you a kiss and I bless you all in the name of the **Father**, of the **Son** and the **Holy Spirit**.

Shalom! Peace my children.
