MESSAGES OF SUNDAY 24th MAY 2026

‘THE MOUNTAIN OF MIRACLES’ – OLIVETO CITRA (SA) ITALY

(Pentecost day)

THE MOST HOLY VIRGIN MARY

My sons, my children, I am here in your midst, the **Angels**, the **Saints** in Heaven have prayed together with you, the **Holy Spirit** has descended with great power in your midst, a lot of you are feeling his warmth, do confirm my children.

The **Holy Spirit** works with great power upon those who call upon Him with their heart, upon those who understand the importance of His presence. When the **Holy Spirit** descends, evil flees because it cannot withstand his Presence, therefore my children always invoke Him with your hearts for it is Him who gives life to all of you, to everything **God the Father Almighty** has created, the nature is the work of the **Holy Spirit**, everything that is in this world is the work of the **Holy Spirit**, be submissive so that He may shape your life every day, very often your thoughts are not yours, but they are illuminations of the **Holy Spirit**, many of your actions are work of the **Holy Spirit**, everything that is for good is the work of the **Holy Spirit**, speak letting yourselves be guided by the **Holy Spirit**.

Today the **Holy Spirit** has bestowed many gifts upon you, now it is up to you, the **Holy Spirit** today has forgiven all your sins giving you a new, meek, humble heart, but you have to know that evil is waiting for you as it has always done when the **Holy Spirit** frees you from all suffering.

My children, invoke again the **Holy Spirit** for today it is a very special day, the **Archangel Uriel** will consecrate the painting I asked you for.

SAINT URIEL THE ARCHANGEL

Fear not, that is me, the **Archangel Uriel** who stands in the presence of **God the Father Almighty**.

Today the outpouring of the **Holy Spirit** has descended upon each of you and everyone you hold in your hearts even though they are not present in your midst.

Be perseverant and active in **God's** design, always shout the truth, the falsehood is recognised by those who walk in the truth, be grateful for what you have got every day of your life, do not desire anything else or more than what you already have.

The **Archangel Uriel** is in the service of the **Most Holy Trinity**, he respects their decisions, their will, their interventions; abandon useless things, perverse things, have the courage to recognise this and to eliminate it from your life, have faith, have faith, have faith, the **Most Holy Trinity** will never let you lack for anything, therefore brothers and sisters from today on be in total service of the **Most Holy Trinity** and you shall lack anything.

THE MOST HOLY VIRGIN MARY

My children, from today the project on the Mountain of Miracles starts, not all of you will be perseverant, God the Father Almighty will call other children of mine to come here to believe and to collaborate on His project, I love you immensely my children. The future of this place is in your hands, a lot of hearts are vibrating in this moment, do confirm my children.

Fear not, the **Most Holy Trinity** protects you, for it will not always be easy to listen to the voice of your heart, pray, pray, pray, this is what you must do when you feel conflicted.

Soon among you there will be great novelties, changes, the Holy Spirit will not cease with those who are obedient to His will.

I love you immensely my children, **the presence of the Archangel Uriel is upon all of you, his wings are immense, he protects all the places where I have appeared, he protects this Mountain, for from here the truths hidden about Me, about the Archangels will come out, remember my children that nothing is impossible to God the Father Almighty, today His will has come to end, I still wait for you all here.**

After my blessing, I wish you to kiss the painting which is consecrated from today.

I bless you all my children, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Shalom! Peace my children.
