(SUMMARY OF THE MESSAGES RECEIVED ON

CAVE: "MOST HOLY MARY OF THE BRIDGE"
PARTINICO (PA) ITALY

HOLY VIRGIN MARY

My children, I'm the **Immaculate Conception**, I'm the Woman Who gave birth to the Word, I'm **Jesus's** Mother and your Mother. I've descended with very great power together with My Son **Jesus** and **God the Omnipotent Father**. The **Most Holy Trinity's** here among you.

The joys will be great, destined for those who will believe in this story, that Heaven tells you day after day.

This Cave is My Home. You can't understand many things now, but ,with perseverance, you'll be proud to have believed My words, My extraordinary story, which belongs to this Place.

My little children, the Archangels Michael, Gabriel and Raphael are here. My son Michael guards this Cave. Soon, very soon, They'll manifest themselves here, as They always did at the times that the shepherd lived here, "Little Hat" as everyone called him. His life was made up of many sacrifices, but he didn't know it, he didn't even notice it; he loved everything and gave importance to everything. His purity was a gift, that teaches you so much humility and simplicity nowadays. He didn't ever feel alone, even though he was. His family was nature; he said: "The sun's my daddy, the moon's my mummy and the stars are my brothers and sisters". **Carry on with this story, because it's all true! I, together with you, want to rebuild it, so that the world may know that this is a special Place, so small but so great in God the Omnipotent Father's Power. Here, extraordinary things happened, that nobody knows in today's times. We'll do the same wonders again.**

SAINT MICHAEL THE ARCHANGEL

Don't be fear! It's I, **Michael**, the most powerful **Archangel**, that stays in Heaven and on earth! I'm the Prince of the Heavenly Militia and I'm before the **Most High**. Together with Me, there are the **Archangels Gabriel and Raphael**. They're always with Me.

Brothers, sisters, We donated many signs in this place over the centuries. Many writings and many testimonies are still preserved by many families. Over time, however, a legend has been spread instead of truth, but the Most High never stops His plans.

Many children saw Us Angels bring the Statue of the **Most Holy Mother** to this Place, on this day, over the years, but they weren't often believed by the Church and by their families and, out of fear, they never returned to this place. Many people still know this story nowadays.

This Cave - and all that surrounds it - will become a shining place, which will welcome many pilgrims, many souls in search of truth.

There will be great joy when this project will be believed by the inhabitants of Partinico, Alcamo, Balestrate. Brothers, sisters, many secrets will still be revealed, not everyone will believe, but ,don't be afraid, it will be We who will confirm.

HOLY VIRGIN MARY

My children, **the Community of the Baptizers** prayed praisingly, dancing in front of My Statue. My son **John the Baptist** guided them; each one entrusted his brothers and sisters with love and with so much suffering in order to see them converted. This must be your prayer, which isn't known in today's times.

We'll reveal you many things from this Cave, which will take you to Jerusalem, take care of it! My presence's assiduous in this Cave. This Cave's very ancient, it has always existed and this will be a very important point of reference.

"Little Hat" lived here all his life and his presence remained here. No one has ever loved this Cave, as much as he did.

JOHN THE BAPTIST

Brothers, sisters, it's I, **John the Baptist**! I'm the One who baptized **Jesus, God's Son**. I'm the One who prepared the way for His manifestation in this world. I've descended with very great power, by **God the Omnipotent Father's** will. **The Most Holy Trinity's** here among you.

Brothers, sisters! When you pray, you must firmly believe that the **Most Holy Trinity's** among you. You must let yourselves go, cancelling your human thoughts. You must entrust yourselves completely into the **Most Holy Trinity's** hands. Free your hearts without any reserve!

In the Community, which **God** donated Me, the **Father** was praised without fear; people sang in His honour, danced in His honour. His presence descended with very great power, because the **Father** loved to hear their praises. When the Statue was built in honour of **Mary, God's Mother**, the community praised, sang and danced in Her honour; they did it with great faith.

Brothers, sisters, in this Cave the Most Holy Trinity will manifest Its divinity. Very soon, I'll baptize God's people in this Cave. Make yourselves ready!

SAINT MICHAEL THE ARCHANGEL

Today's a great day: **God's Angels** are among you! This day, We appeared to "**Little Hat**". Now We're going to reveal the words, that We pronounced to Him, that you'll write in the book.

"John, John, wake up!

..and he: "Who are you, my sirs? I've never seen a similar Light!"

“Don't be afraid! We're **God's Angels: Michael, Gabriel, Raphael**. Today's a special day for you. You don't know it, but on this day you were born on earth, you were chosen by **the Most High** for a great project!”

...and he: “Thank you, but I'm only a poor shepherd and I've nothing.”

“You mustn't fear! Wealth's a gift from **the Most High** and you're rich in goodness and humility. Today, **Jesus** wants to give You a gift: He wants to give Himself to you! Get on your knees, your eye is sick. My brother **Raphael** will heal you, because you'll have to see great things. My brother **Gabriel** will announce to you what you'll see.”

SAINT GABRIEL THE ARCHANGEL

“**John**, don't fear, because you've had the grace to see **the Most Holy Virgin Mary**! She'll appear to you and She'll give you so much love; your humility and simplicity will be a great sign. You'll bring many souls and you'll be remembered through the centuries”...and he answered:” I don't feel worthy to see **the Most Holy Virgin Mary**!” I said to him: “Don't fear, you've been chosen!”

SAINT RAPHAEL THE ARCHANGEL

“**John**, why are you shaking? Don't be afraid, We're here to help you to understand what **the Father** has chosen for you! Don't worry about the rain, the water won't wet your face! **John**, look at Heaven, look at the water, look at the trees, look at your sheep, these are the gifts that **the Father** has given you, you don't need anything else. Your heart won't ask for anything else, because you were created this way! Along the life path, always be humble and good with everyone and with everything, because **the Father** manifests Himself to your eyes in any form. **John**, look Me in the eyes!

He said to Me: “I can't! They're burning!”

I said to him: “There is no joy without suffering! Look into My eyes, don't get distracted, don't cry, your eyes are and they'll be of light blue as water and sky united! Come closer, so that **the Father** may heal you through My hand. Now you'll have to pray a lot and praise **God**. Always be ready! **The Most Holy Virgin Mary** will also want to look you in the eyes.”

SAINT MICHAEL THE ARCHANGEL

Brothers, sisters, today you've assisted what **John** saw. Our words will be written in the book that tells the story of “**the Most Holy Mary of the Bridge**”.

In front of Us, (*the Archangel Michael indicated, coming from the Cave on the left in front of the Bridge, the construction of the Chapel*), **one day, not far away, a Chapel will be built, all white, with three arches with our white marble statues; Our name, Michael, Gabriel, Raphael, will be engraved under each one; at the top, it will be engraved: this is God's Home, Mary welcomes you! In front of the Chapel, Jesus Christ's Body and Blood will be donated to all the pilgrims, in memory of the gift made to John, "Little Hat"**.

Every year, on this day (**27th August**), you'll bring John's relics from the Bridge to the Cave. From this place, one day, they'll be displayed in the Chapel, which will be built in Our and in His honour: this is the Most High's will! You can't imagine how many graces will be granted along the way!

John, "Little Hat", was consecrated to the Virgin Mary on this day, by the Most High's will. He was His instrument, often rejected, expelled from the village of Balestrate; he often cried with pain, but God reserved this special grace for Him. We, God's Angels, will appear to many children, too and, if their families won't believe, great sufferings, because God's grace can't be despised. Don't fear, you'll have great visual signs, too! "The Most Holy Mary of the Bridge" will make Her presence felt throughout Sicily.

SAINT GABRIEL THE ARCHANGEL

Brothers, sisters, all that We're revealing to you will be confirmed very soon! "Little Hat" has given many signs. Many have believed him, many have already been healed here on the imprint, many have been freed. The Most Holy Virgin Mary has given Her presence, many have seen Her from afar. Very soon, all this will happen again, so that everyone can believe.

Many miracles, which happened many years ago, have been written and are still preserved in Alcamo. Soon, they'll be taken and they'll be brought here, because here they'll have to be exposed. Some miracles are written on very ancient papers, but everything has remained as it was, and this will be the miracle!

Brothers, sisters, persevere! All this isn't far away, this place is about to flourish again, as it already was, We Angels keep watch here!

SAINT RAPHAEL THE ARCHANGEL

Brothers, sisters, what John heard, you've also did. Remember, the Father manifests Himself in every form. If your heart's ready, you'll notice it at once! Be honoured to have lived this day, here in this place. There are many things to understand and to feel. Be like John, humble, good faithful, with everyone, but, above all, with the Most High. One day, John saw My Light in the Cave, because he lost himself, grazing his sheep. When he arrived, I left, for the time had not yet come. John, until the day of his death, always wondered what that Light was, but, on the point of death, he saw what had happened that day.

Brothers, sisters, the book, about everything that happened in this place, will have to be very, very, very important. Be ready to divulge! Very soon, you'll understand; from this road and from this bridge, you'll arrive in the Holy Land. There, it will be much clearer for you all, there you'll know secrets about this place and about "the Community of the Baptizers".

Brothers, sisters, the Father wants you very strong against all trials.

SAINT MICHAEL THE ARCHANGEL

Brothers, sisters, great joy's in your hearts. We promised John that his name would be remembered forever and his story would be known.

Many secrets too will be revealed by the Most Holy Mother Mary regarding his history. Today our mission's come to an end. Come before Us, all of you!

We wish to give you the blessing of the Angels. Drop your heads. In the name of the Father, of the Son and the Holy Spirit.
